How to use these forms?

Please enter the required number of the items you need and complete the exhibitor details on page 24 („your data“)

You can send your order directly via this PDF by email (button on last page).

Dear exhibitor,

You can order the rental furniture and additional booth construction material for your trade fair presentation with the following forms. The rental price refers to the duration of the exhibition.

Please fill in – Which trade fair you are planning to attend:

Please understand that we elevate an additional charge of 30% to the order starting 21 days before the exhibition, in order to enable your near-term order and offer our service at place.

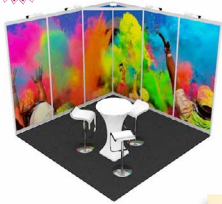

Furthermore, cancellation of confirmed orders received more than 21 days prior to the start of the trade fair are subject to a cancellation fee of 30 percent of the order value.

Please note: All prices are in CHF plus VAT. With your order you agree to the General Terms and Conditions of the company formfoundation GmbH

With kind regards
Your formfoundation team

Premium Services in Exhibition Design and Store Fittings

Exhibition and trade fair appearances are an integral part of your company's image. At such an event, the wider public can identify with and perceive the core values of your organisation.

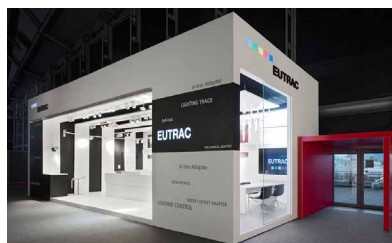

It is important therefore to work with an exhibition and store design partner that fully understands the importance of this, a partner that keeps the client in mind at all times and provides you with an outstanding service: meeting all your individual needs and requirements to produce the end result that you want.

Whether you are an exhibitor or an event organiser, you can relax before, during and after an exhibition safe in the knowledge that formfoundation is an experienced partner at your side at all times. We plan and organise individual and system solutions, joint presentations as well as stand assembly services for exhibition organisers. With this expertise, formfoundation can offer you a wide range of exhibition design services, from the first draft all the way to the perfect realisation of your ideas.

With us, nothing is impossible. With our engineering know-how and creative ambition, we plan and consult, we create spaces that work, represent and inspire – of any size and for every budget.
